Heads up everyone: Kim Ayotte has asked to join and observe the 10:00 am meeting.

"Cochrane, Kelly" <kelly.cochrane@ottawa.ca> 2/8/2022 5:05 PM

NCRCC Update: Not much new here from this morning. Fire is embedded with the public order team and will be given the direction to extinguish burn barrels. Bylaw embedding with QRT police teams as of 12:30. No new intel. Clearing out of the Metcalf encampment has no issues. There are talks of a possible demonstration at City hall tomorrow. This is NOT a counter demonstration according to police. No word on timing or numbers

"Pyper, Todd" <Todd.Pyper@ottawa.ca> 2/8/2022 5:08 PM

FYI Only - I believe the City Hall Demonstration was to call for the resignations of Chair Deans, Councillor Meehan, the Mayor and Chief Sloly. At least that was the preliminary information received from Intel yesterday.

"Cochrane, Kelly" <kelly.cochrane@ottawa.ca> 2/8/2022 5:10 PM

Thanks Todd. They didn't provide that context here today, just that it was a correction from being a counter demonstration to one that is in support of the convoy

"Pyper, Todd" <Todd.Pyper@ottawa.ca> 2/8/2022 5:11 PM

Thanks for clarifying, Kelly Very well could have changed, or perhaps it's a different demonstration.
